Statement Cooperation Hettich Instrument ApS

16 March 2021

Hettich Instrument ApS, Frydenborgvej 27E, 3400 Hillerød, Denmark has been a reliable and trustworthy partner for Andreas Hettich GmbH & Co. KG, Föhrenstrasse 12, 78532 Tuttlingen, Germany working and coordinating sales and service of Hettich products together for many years.

Hettich Labinstrument ApS visits regularly Hettich in Germany for product and service trainings.

Hettich Instrument ApS has always proven capable to take over all services connected with our products i. e. installation, warranty, commissioning, user training and after-sales service as well as yearly maintenance.

Hettich Labinstrument ApS is our preferred partner for our Hettich centrifuge and HettCube incubators in Denmark and we hope to continue this successful business relationship in the future to provide the best service for our valuable customers.

Best regards,

Yours faithfully
Andreas Hettich GmbH & Co. KG
